DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
S. R. K. R ENGINEERING COLLEGE BHIMAVARAM

CERTIFICATE

This is to certify that this is a bonafide work on “**ONLINE CRICKET WEBSITE**” for and has been submitted by Mr. Davuluri Divakar(20B91A0571) as a **Web Application Development Using Full Stack** laboratory report, in partial fulfilment of the requirements for the award of the Degree of Bachelor of Technology in Computer Science and Engineering, during the academic year 2022-2023. The candidate worked right under my Supervision and guidance.

Lecturers In-Charge

K .D.V.PAVAN KUMAR VARMA

CH Vinod Varma

S Suryanarayana Raju

Assistant professor,

Department of CSE,

S.R.K.R. Engineering College,

Bhimavaram.

Head of the Department

Dr. V. CHANDRA SHEKHAR

Head of the Department,

Department of CSE,

S.R.K.R. Engineering College,

Bhimavaram.

ACKNOWLEDGEMENT

I take immense pleasure in thanking **Dr. M. Jagapathi Raju**, beloved principal of S.R.K.R Engineering College, Bhimavaram, and **Dr. V. Chandra Shekar**, esteemed **Head of the Department** (C.S.E), for having permitted me to carry out this Web Application Development Using Full Stack mini project work.

I wish to express my deep sense of gratitude especially to my project Guide, **Sri. K D V PAVAN KUMAR VARMA**, Assistant Professor, **Sri Ch Vinod Varma**, Assistant Professor, **Sri S Suryanarayana Raju**, Assistant Professor, for their guidance and useful suggestions, which helped me in completing the project work, on time.

Finally, yet importantly, I would like to express my heartfelt thanks to my beloved parents, faculty, my friends/classmates for their help, and my wishes for the successful completion of this project.

Davuluri. Divakar

ABSTRACT

The project is about cricket related website. Now-a-days cricket is a popular game in our daily life. This website will display the teams which are playing cricket and players involved in the respective teams. Mainly there is no particular site to buy cricket related things. This website provides the cricket related things at reasonable cost. The main advantage of this website is to know about match fixtures and their results.

This website displays a home page and there will be a login page. If the user doesn't log in then user has to sign-up. The home page contains teams (for every team there will be players list and details about the players), match fixtures, points tables of tournaments, cricket shop, the cart and payment. In match fixtures there will be details about the match and its venue and the match timings. The user should add the interested items to the cart. After adding the items to the cart, the user should proceed the payment.

MODULES

- Home page
- Login page
- Sign-up page
- Teams page
- Match fixtures
- Cricket shop
- Cart
- Payment
- Logging out

SOFTWARE REQUIREMENTS

1. Text Editor: Visual Studio Code, Notepad
2. Front End: HTML,CSS
3. Internet Browser: Google Chrome/Mozilla Firefox/Internet Browser

HARDWARE REQUIREMENTS

1. Processor-Intel Core I5
2. RAM-8GB

TECHNICAL STACK

<div class="sideheading">&#127951About CRICKET&#127951</div>

```

```

<p>Cricket is a bat-and-ball game played between two teams of eleven players each on
a field at the centre of which is a 22-yard (20-metre) pitch with a wicket at each end,each
comprising two bails balanced on three stumps. The game proceeds when a player on the
fielding team, called the bowler, "bowls" (propels) the ball from one end of the pitch towards
the wicket at the other end, with an "over" being completed once they have legally done so
six times.The batting side has one player at each end of the pitch, with the player at the
opposite end of the pitch from the bowler aiming to strike the ball with a bat. The batting side
scores runs either when the ball reaches the boundary of the field, or when the two batters
swap ends of the pitch, which results in one run. The fielding side's aim is to prevent run-
scoring and dismiss each batter (so they are "out", and are said to have "lost their
wicket").Means of dismissal include being bowled, when the bowled ball hits the stumps and
dislodges the bails, and by the fielding side either catching a hit ball before it touches the
ground, or hitting a wicket with the ball before a batter can cross the crease line in front of the
wicket to complete a run.When ten batters have been dismissed, the innings ends and the
teams swap roles.

5. Write an HTML code to create a login form. On submitting the form, the user should get navigated to a profile page.

PROGRAM:

Login.html

```

<html>
<head>
<title>login</title>
</head>

```

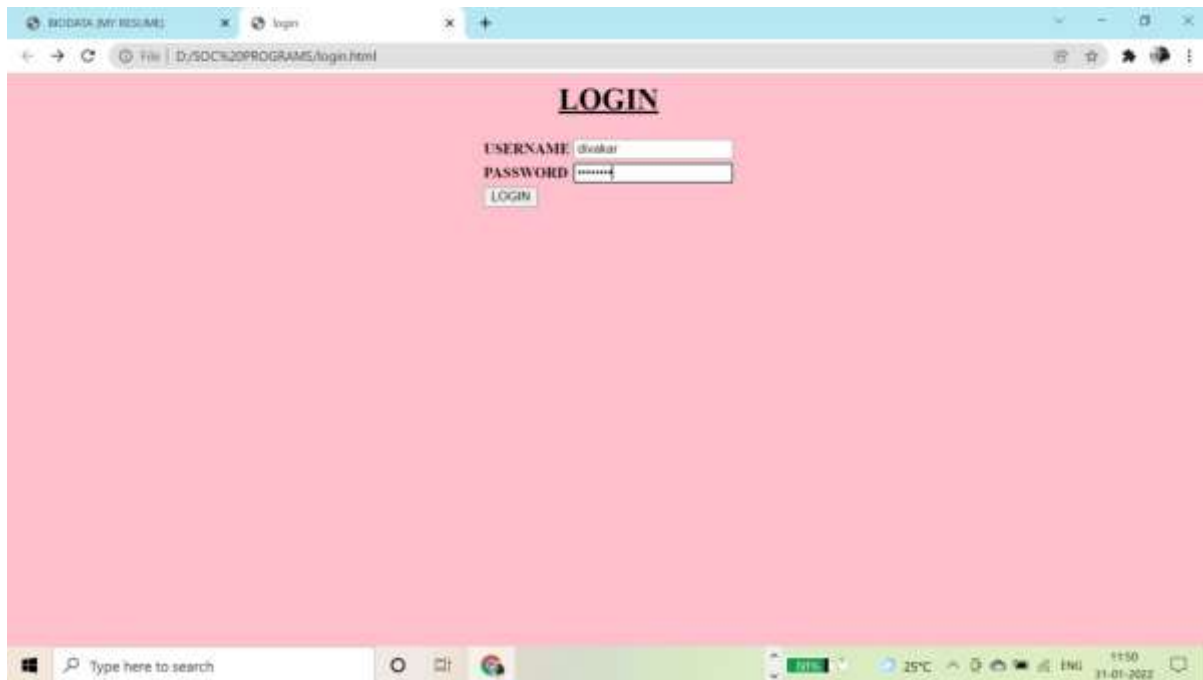

```

<body bgcolor="pink">
    <center><h1><u>LOGIN</u></h1></center>
<form action="profile.html">
<table align="center">
<tr>
<td><b>USERNAME</b><br></td>
<td><input type="text" placeholder="enter user name" required></td>
</tr>
<tr>
<td><b>PASSWORD</b><br></td>
<td><input type="PASSWORD" placeholder="enter password" MINLENGTH="8"
required></td>
</tr>
<tr>
<td colspan="2" align="center"><a href="profile.html"><button>LOGIN</button></a><br>
</tr>
</table>
</form>
    </div>
</body>
</html>

```

OUTPUT:

LOGIN PAGE

Profilepage.html

```

<head>
  <title>BIODATA (MY RESUME)</title>
  <style>
    h1,
    h2,
    h3,
    p{
      padding:1px;
      margin:1px;
    }
  </style>
</head>
<body bgcolor="pink">
  <h1><b><u> Personal Details</u></b></h1>
  <h2><b>Name:</b>G.Sri.Chandra Shekhar</h2>
  <b>Address:</b>24-4-9/3,Weavers colony,Korukonda Road,Rajahmundry.<br>
  <b>Date of Birth:</b> 16/08/2003<br>
  <br>
</body>
<h3><b>Educational Details:</b></h3>
<table border=1 cellspacing='0'>
  <tr bgcolor="yellow">
    <th>S.NO</th>
    <th>Qualification</th>
    <th>Name of the Institute</th>
    <th>Year of Study</th>
  </tr>

```

	Place of the Institute
	GPA
1.	1-9
Minerva	2008-2013
Prathipadu	96%
2.	SSC
Prathibha Edu-Care	2017-2018
Rajahmundry	9.8
3.	Intermediate
Sri Chaitanya Junior College	2018-2020
Rajahmundry	9.94
4.	B.Tech(CSE)
Sagi Rama Krishnam Raju Engineering College	2020-2024
Bhimavaram	---

Skill Set:

- Making Crafts
- Drawing
- Playing Chess
- Reading Books
- Watching Movies

About Me:

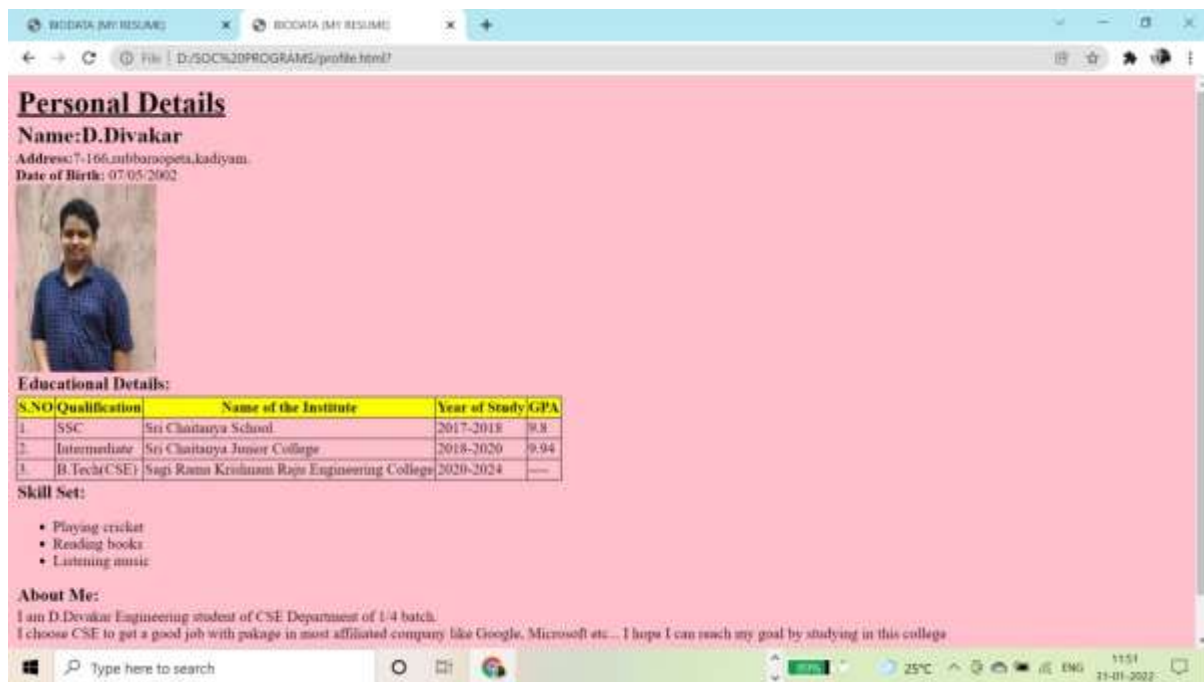

I am G.Sri Chandra Shekhar Engineering student of CSE Department of 1/4 batch.
I choose CSE to get a good job with package in most affiliated company like Google, Microsoft etc... I hope I can reach my goal by studying in this college

My Ideal:

My ideal is my parents.

9. Write an HTML code to demonstrate the usage of inline CSS.

PROGRAM:

```
<html>
```

```
<head>
```

```
<title>inlinecss</title>
```

```
</head>
```

```
<body>
```

```
<h1 style="color:blue;text-decoration:underline;font-family:Times New Roman;text-align:center;">CSS</h1>
```

```
<p style="font-size:18px;color:red;font-family:Times New Roman;">
```

Cascading Style Sheets (CSS) is a style sheet language used for describing the presentation of a document written in a markup language such as HTML.

CSS is a cornerstone technology of the World Wide Web, alongside HTML and JavaScript.

```
</p>
```

```
<h1 style="color:blue;text-decoration:underline;font-family:Times New Roman;text-align:center;">HTML</h1>
```

```
<p style="font-size:18px;color:red;font-family:Times New Roman;">
```

The HyperText Markup Language, or HTML is the standard markup language for documents designed to be displayed in a web browser.

It can be assisted by technologies such as Cascading Style Sheets (CSS) and scripting languages such as JavaScript.

</p>

</body>

</html>

OUTPUT:

10. Write an HTML code to demonstrate the usage of internal CSS.

PROGRAM:

<html>

<head>

<title>internalcss</title>

<style>

h1

{

color:blue;

text-decoration:underline;

font-family:Times New Roman;

text-align:center;

}

p

{

```
font-size:18px;
color:red;
font-family:Times New Roman;
}
```

```
</style>
```

```
</head>
```

```
<body>
```

```
<h1>CSS</h1>
```

```
<p ">
```
